owned by Irving H. Munford, The Plains, Va., which ran second on the opening day.

Owned by Irving H. Munford, The Plains, Va., which ran second on the opening day. spector could overrule the local steamboat inspector.
"The supervising inspector has the power to overrule the local man," re-plied the witness.

"How many times has that been "Now give him a chance," interspector?" he asked the witness.
"About tour, I think," was Reid's
reply. "We were overruled in one case,
the decision is in abeyance in another and we were sustained in two in

stances."
Reid then said that Mrs. Erickson wanted her husband on the Eastland so that he could live in St. Joseph, Mich. which was her home.

SAILORS TO HAVE PASSPORTS.

#### Britain Makes New Regulation. Fearing German Spies.

Great Britain has issued a new regu lation requiring masters and sailors of neutral ships visiting British ports to be provided with passports or identi-

the Department of Commerce is trying to work out a practical scheme for compliance by United States shipcompliance by United States ship-masters with this new British order, which is it said may seriously em-barrass United States shipping in-

Until the act is in full force seamen without identification papers may be granted temporary landing permits for

will avoid trouble by providing them selves with these papers before leaving home ports.

A practical difficulty in complying

with the new order lies in the fact that a large proportion of the crews of American ships are neither native nor naturalized American citizens and so are estopped from receiving passports from the United States State Department. Possibly they might obtain pass-ports from their own governments, but the officials here are trying to work out some scheme for the acceptance of identification papers in lieu of pass-
